

HINDLEY EARNSHAW

INTERIOR DESIGNER

ABOUT ME

I am a young and successful interior designer with a passion for creating beautiful and functional spaces. I have always been drawn to design and knew from a young age that it was my calling. I love to take on new challenges and find innovative solutions to design problems. With a keen eye for detail and a love for color and texture.

EXPERIENCE

- *Chromatic Spaces* (Jan. 2020 — Nov. 2020)
A design company that specializes in creating colorful and vibrant spaces, using bold and unexpected combinations of colors to make a statement. They believe that a space should not only be functional, but also visually stimulating and uplifting.
- *Vintage Revival* (Dec. 2020 — Apr. 2021)
This interior design company takes inspiration from the past, specifically the mid-century modern era, and gives it a modern twist. They use vintage furniture and decor items in innovative ways to create a unique and timeless look that is both cozy and stylish.
- *Zen Interiors* (May 2021 — Mar. 2022)
A design company that focuses on creating serene and peaceful environments that promote relaxation and well-being. They use natural materials, soft colors, and minimalist design to create a space that feels like a sanctuary.
